NOTES:

- EORC training consists of 40 consecutive hours of in-depth review of all EO elements and thoroughly prepares the EOR/CEOM to effectively manage their command's program.
- The Senior Leaders, SNCO, and NCO Workshops are designed to stress how EO issues impact unit cohesion, mission accomplishment, and combat readiness. These workshops have been established to assist commands in being proactive with EO issues and concerns that arise, and to assist the immediate chain of command with the necessary information to resolve EO issues at the lowest level possible
- "Space is Limited" per course. Contact your respective EO Advisor listed below to reserve a seat @ DSN:
