COMBAT CENTER BULLETIN 3574

From: Commanding General
To: Distribution List

Subj: FISCAL YEAR 2016 MARKSMANSHIP TRAINING WITH INDIVIDUAL SMALL ARMS FOR
THE PERIOD 1 OCTOBER 2015 TO 30 SEPTEMBER 2016

Ref: (a) MCO 3570.1C
(b) MCO 3574.2L
(c) MCO 5500.6H W/Ch 1
(d) CCO 1630.6A
(e) CCO 1320.4

Encl: (1) Annual Rifle Training (ART) FY 16 Range Detail Schedule
(2) FY 16 ART Quotas
(3) FY 16 Range Detail Schedule, Combat Pistol Program (CPP)
(4) FY 16 CPP Quotas

1. Situation. Marksmanship proficiency is the keystone of military effectiveness in ground combat operations. The objective of marksmanship training is to develop this proficiency to the highest possible level. To meet this objective, marksmanship qualification training will be conducted annually.

2. Mission. To provide policies and procedures for the conduct of marksmanship training aboard the Marine Air Ground Task Force Training Command, Marine Corps Air Ground Combat Center.

3. Execution

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. Commanding Officers, Assistant Chiefs of Staff (AC/S), Special Staff Officers, and Officers-in-Charge (OIC) will ensure Marines under their charge are trained in the effective use of personal weapons with which they are armed.

(2) Concept of Operations. In accordance with the references, annual rifle and pistol firing qualifications will be conducted and controlled by the OIC, Marksmanship Training Unit (MTU).

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.

OCT 14 2015

b. Subordinate Element Missions(1) Commanding Officers

(a) Ensure a pre-fire inspection (PFI) is conducted for all service pistols and rifles prior to the start of each detail.

(b) Once a shooter's weapon has passed the PFI, ensure that same weapon is issued to the same Marine for every firing day.

(c) Ensure range quotas requested per enclosures (1) and (2) are strictly adhered to. Notify range personnel if all quotas will not be used or if seeking additional quotas. Any unused quotas will be forfeited to another unit.

(d) Provide a range assignment roster (on an external hard drive in Microsoft Excel) containing the rank, last name, initials, and blood type to the OIC, MTU, no later than 1300 on the day of the range non-firing Staff Noncommissioned Officer-in-Charge (SNCOIC) meeting.

(e) Ensure full compliance with the fleet assistance program requirements to staff the MTU per reference (e).

(f) Provide non-firing SNCOICs as outlined in this Bulletin.

(g) Provide certifying officers and verifiers as required.

(h) Provide approved hearing protection, data books, individual weapons, and equipment for firing personnel.

(i) Provide meals as required for personnel assigned to firing details.

(j) Provide transportation for sergeants and below.

(2) Assistant Chief of Staff (AC/S) G-1. Ensure proper staffing of the MTU per reference (e).

(3) Assistant Chief of Staff (AC/S) G-3

(a) Conduct rifle Tables 1A and 2 qualification and pistol qualification per references (a) and (b).

(b) Provide range safety officers (RSOs).

(c) Ensure Marines assigned as RSOs are thoroughly trained in their duties and responsibilities, specifically the instructions contained in this Bulletin.

(d) Ensure Marines assigned to operational and coaching duties have received advanced marksmanship training.

(e) Provide results of all record firing to each command's operation section (S-3). Retain official scorecards for three years after firing.

OCT 14 2015

(f) Ensure only minimum scores (250 rifle, 264 pistol) are reported for those Marines who failed to qualify upon their first attempt, but who qualify in a subsequent attempt.

1. During rifle Table 2 qualification (Block 5), if a Marine requires remediation, ensure that the Marine receives a minimum Table 1A score of 190 Marksman.

2. Ensure that the Marine also receives a minimum Table 2 score of 60 for a total score of 250 Marksman.

(g) Report interrupted or postponed record firing to the AC/S G-3. Record firing may be interrupted if it appears that existing circumstances will preclude a reasonable test of the Marine's application of marksmanship fundamentals, or when safety requirements dictate. When conditions permit, commence firing from the point at which the interruption occurred, per reference (b).

(h) Ensure a PFI has been completed on all weapons used for annual qualification training. Keep copies of PFIs on file for 90 days after all firing is complete.

(i) Ensure that all personnel on the firing line wear approved hearing protection while firing is in progress.

(j) Ensure rifle range quota assignments do not exceed the safety limits for the number of range operation personnel assigned or for the range facility.

(k) Approve requests for special use of all ranges to ensure desired training does not interfere with required marksmanship training. Ensure units or organizations using these ranges comply with the required safety procedures.

c. Coordinating Instructions

(1) Range Operation

(a) Marines assigned to range details are under the control of the OIC, MTU. Range detail personnel will not be assigned to nighttime duties (duty officer, battalion or company duty, guard, etc.). No Marine will leave the range on training days until secured by the Range Chief. The G-3's POC for all annual marksmanship training matter is the OIC, MTU.

(b) Marines may be dropped from range details for reasons including, but not limited to, the following:

1. Safety violations.
2. A weapon that does not pass the PFI.
3. Mechanical failure of a weapon that cannot be readily repaired.

OCT 14 2015

4. Vision impairments that create a safety hazard or impede proper performance such as broken glasses, outdated lens prescriptions, or any other vision impairment.

5. Absence from any scheduled training.

6. Failure to report to the range with proper equipment.

(c) A Staff Noncommissioned Officer (SNCO) will be assigned as a non-firing range SNCO for each detail. Sergeants may fill the billet for details of 20 shooters or less. Non-firing SNCOs will be guided in the performance of their duties by separate instructions given by the Range Chief, MTU, and additional instructions which may be given by the OIC, MTU. Non-firing SNCOs will report to the Range Chief, MTU, Building 2143, at 1300 on the date stated per enclosure (1) for briefing, verification, and turn-in of the rifle range assignment roster. Non-firing SNCOs are responsible for the mustering, movement, discipline of their Marines, and ensuring that they are at their respective places (armory, range, etc.) at the time prescribed.

(d) The transportation by personally owned vehicles (POVs) of individually issued service weapons is authorized for SNCOs and above.

(e) The transportation of weapons aboard motorcycles is not authorized, unless the weapon is in a hardened, locked container.

(f) Officers and SNCOs may drive POVs to the range but must be on the firing line or in the pits no later than the time prescribed by the OIC, MTU.

(g) POV parking is authorized in the MTU parking lot located between the Range Operations Building (2143) and the pistol range (Range 2).

(h) All personnel, regardless of rank, will participate in range working parties upon completion of firing. Unit commanders can provide a letter excusing a shooter from a working party detail, but must furnish another Marine to complete the duties in the early-excused shooter's stead.

(2) Annual Rifle Training (ART) Qualification Firing

(a) ART qualification firing will be conducted per reference (b) and the firing schedule contained in enclosure (1).

(b) Preparatory training must be conducted prior to live fire training. Preparatory training is a 2 day evolution consisting of lecture and dry fire. This training will be conducted at the unit prior to the firing week by a certified combat marksmanship trainer (CMT) Military Occupational Specialty (MOS) 0931. A roster of all personnel that will be trained at the unit must be submitted to the Range Chief on the day of the Non-firing SNCO brief. This roster must be signed by a certified CMT as well as the unit's S-3 Officer or direct representative.

(c) There are two tables of live fire training, broken down into five blocks.

1. Table 1A: Fundamental Rifle Marksmanship. Blocks 1-2 are training; Block 3 is the qualification block.

OCT 14 2015

2. Table 2: Basic Combat Rifle Marksmanship. Block 4 is training; Block 5 is the qualification block.

3. All blocks must be completed to qualify. All five blocks are normally conducted during a 5-day firing week. However, during inclement weather, multiple blocks can be conducted in a single day. Additionally, MTU may conduct one or more blocks during a weekend if weather caused a postponement in training.

(d) Personal and/or match conditioned weapons are not authorized. Weapons and equipment will be service issue only [M16A4/M4 Carbine, M27 if it is the Marines Table of Organization (T/O) and Equipment weapon]. Marines assigned the M203 Grenade Launcher attachments are required to fire for qualification. Marines assigned an M16 with an M203 are required to fire with an M203 attachment through all tables of training. Rifle Combat Optic (RCO) is the only authorized sight for the M16A4/M4. Marines issued the M27 will fire with the Squad Day Optic (SDO). Marines issued an RCO or SDO must fire with the RCO or SDO through all tables of training. The following modular attachments are the only attachments authorized and required if issued as SL-3 components to the M16A4 or M4: RCO, laser aiming device and vertical foregrip (broom stick). The only authorized magazines are the issued magazines, NSN 1005-00-921-5004 or NSN 1005-01-501-7200.

(e) Personnel are authorized to use binoculars only for Table 1A and Table 2.

(f) During firing each unit is required to provide one Combat Marksmanship Coach (CMC) MOS 0933 for every four shooters on the firing line. One coach will supervise four firing points for all relays. The CMC must provide proof of MOS 0933 to the Range OIC.

(g) All personnel assigned to a rifle range detail are required to perform their duties in the pits unless excused by the Range OIC or Range Chief.

(3) Combat Pistol Program (CPP) Qualification Firing

(a) Qualification firing with the service pistol will be conducted per reference (b) and the firing schedule contained in enclosures (3) and (4).

(b) Initial qualification by those Marines whose T/O weapon is the service pistol or who are required to be armed with the service pistol in the performance of their duties, will be conducted per reference (b) and will span a period of three days.

(c) Personal and/or match conditioned weapons are not authorized. Weapons and equipment will be service issue only.

(d) Per reference (c), Marines must be qualified with the service pistol before assuming duties as a sentry with that weapon. Qualification firing must have taken place within the past 12 months.

(e) Personnel qualifying with the service pistol will report to the pistol range at the time prescribed on Monday of the detail assigned for the weapons handling test, and Phase I pistol marksmanship instruction.

OCT 14 2015

Personnel not attending any portion of this training, or who does not have proof of the PFI of their service pistol will not be permitted to fire. The unit S-3 will provide a roster of their Marines assigned to the detail the Wednesday prior to commencement of training.

(4) Personnel Exempt from Requirements. The following Marines are not required to qualify annually with the service rifle or the service pistol.

(a) Marines firing expert on the qualification rifle or pistol course for two consecutive attempts will be exempt from qualification firing with the rifle or pistol the following year per reference (b). The qualification classification of a Marine with a given weapon remains valid until the individual qualifies in a different classification or fails to qualify. Marines who qualified Expert for two consecutive years with the service rifle or pistol will be exempt for the current fiscal year.

(b) Marines not assigned a weapon by T/O or Marines in units with no weapons on their table of equipment.

(c) Marines who are serving in the last six months of their enlistment will not be required to fire for qualification unless they have indicated their intention to extend or reenlist.

(d) Marines awarded the Distinguished Marksman's Badge are not required to fire the rifle Table 1A, and Marines awarded the Distinguished Pistol Shot Badge are not required to fire the pistol per reference (b).

(5) Exemptions with the Service Rifle Only. The following Marines are not required to qualify annually with the service rifle.

(a) Enlisted: Marines holding the grade of Gunnery Sergeant or higher are not required to qualify annually with the service rifle. However, Gunnery Sergeants required to carry a service rifle as their T/O weapon are required to qualify.

(b) Officer: Officers holding the grade of Major or higher and officers with 13 years or more of active service.

(c) Marines who qualify Expert for two consecutive years are eligible for a one-year exemption from firing. No expert scores prior to 1 October 2005 will be counted toward meeting the two consecutive expert criteria. This exemption is not automatic and must be granted by commanding officers at the company level or higher based on demonstrated proficiency, training, deployment schedules, and other factors deemed applicable. Marines granted this exemption will be required to fire during the next fiscal year and every other year thereafter while the Marine maintains an expert score and is granted an exemption by their commander. Marines who qualify less than expert will be required to fire expert two consecutive years in order to be eligible for the exemption again.

(6) Exemptions with the Service Pistol Only. The following Marines are not required to qualify annually with the service pistol.

(a) All Marines with 20 years or more of active service.

OCT 14 2015

(b) Enlisted: Privates - Sergeants unless the pistol is their T/O weapon; Master Gunnery Sergeants and Sergeants Major.

(c) Officer: Chief Warrant Officer 4s and 5s, Colonels, and above.

(7) Uniform and Equipment

(a) For Table 1A, all rifle shooters will report in the seasonal Marine Corps Combat Utility Uniform (MCCUU), sleeves down, with boots, and authorized inclement weather gear (as appropriate). Each Marine must possess an individual weapon with either a standard issue or Marine Corps approved Vicor 2 point sling, magazine retention device, three magazines, hydration device, pen or pencil, hearing protection, and a data book. For Table 2, same gear as above with the addition of six magazines total, load bearing vest variant, flak (vest only), and helmet.

(b) All pistol shooters will report in the seasonal MCCUU, sleeves down, with boots, and authorized inclement weather gear (as appropriate), cartridge belt, two magazines, one magazine pouch, holster, and pen or pencil.

(c) Eye Patches or blanks are not authorized for qualification.

(d) Shooting glasses and sunglasses are authorized and encouraged.

(8) Certifying Officer (SNCO/Officer). Will be assigned to the rifle range for all periods of qualification firing. Marines assigned will attend the rifle range verifiers brief held at the Range House (Building 2143) at 1300 on the Tuesday of the firing week. The certifying officer will be in charge of the performance of all verifiers in the pits, and will be the only person signing the certifying officer block on the scorecards.

(9) Pit Verifiers (Sergeants or above). Will be assigned to the rifle range for all periods of qualification firing. Verifiers are required for each five targets in the pits during qualification. Non-Firing SNCOICs will give their unit commanders advance notice of the number of verifiers that will be required. Verifiers will attend the rifle range verifiers brief (location and time stated in paragraph above). Verifiers who are not needed will be released to their normal duties each day.

(10) RSO. Marines assigned as RSOs will meet the prerequisites per reference (b) and will be physically present on the firing line of the range assigned during all live-fire. RSOs will be responsible for:

(a) Supporting, in letter and spirit, the conduct of marksmanship training per reference (b).

(b) Discipline of all individuals undergoing instruction.

(c) Enforcing regulations and ensuring all range and firing personnel use authorized hearing protection while firing is in progress.

(d) Enforcing all current safety regulations, including local range regulations, and safety precautions per reference (a) and this Bulletin.

(e) Ensure there is positive communications between the firing line and pits before the firing of any live ammunition.

(f) Ensure that all rules governing record firing are observed and properly conducted.

(g) Additional duties as may be prescribed by the OIC, MTU.

(11) Safety Vehicle and Corpsman. The host unit (normally the larger unit on detail) will provide a corpsman and safety vehicle for all training days for both rifle and pistol qualification details. This tasker will be initiated during the non-firing SNCOIC meeting.

4. Administration and Logistics. Directives issued by this Headquarters are published and distributed electronically. Electronic versions of Combat Center bulletins can be found at <http://www.29palms.marines.mil/Staff/GIManpower/AdjutantOffice/Bulletins.aspx>.

5. Command and Signal

a. Command. This Bulletin is applicable to all active duty and reserve personnel aboard the Combat Center.

b. Signal. This Bulletin is effective the date signed.
