(2) The name and contact information for each unit's coordinator will be provided to the MAGTF/TC, MCAGCC Lead Coordinator no later than 3 February 2014.

(3) Unit NMCRS coordinators must be available to perform their duties throughout the campaign. Mandatory training and instruction for unit coordinators will be provided on two occasions. The primary meeting will be held on 11 February 2014, 0900-1100, in the Charity Room, Building 1551. An alternate meeting will be held on 20 February 2014, 0900-1100, in the Charity Room, Building 1551.

(4) A kick-off breakfast will convene at the Officers' Club, 11 March 2014, 0800-1000, in the main dining facility, with all Commanding Officers, Executive Officers, Sergeant Majors, and unit coordinators.

(5) All active duty personnel aboard MCAGCC will receive a scripted brief about the NMCRS and given an opportunity to make a donation or allotment. After the briefing all personnel in attendance will complete an NMCRS allotment form. Personnel who choose not to donate will write "No donation" on the form and submit the form to their unit coordinator with their name, rank, date, and unit on the form. Completion of this form will serve as evidence of attending the brief. Unit coordinators will collect the forms and check them against their unit alpha roster. Once all personnel in that unit have received the brief and completed the form, the unit will have achieved 100 percent contact.

(6) 100 percent contact of all active duty personnel present on MCAGCC at any time during the drive will be achieved by every unit no later than 11 April 2014. Personnel who are deployed or on temporary additional duty during the entire Active Duty Fund Drive period, 12 March thru 11 April 2014, are not required to attend the NMCRS brief or complete the form, but a reasonable effort to contact them should be made by the unit coordinator.

(7) Briefings from the NMCRS staff are preferred over briefings from the unit coordinator. Unit coordinator briefings are the last resort to reach stragglers and achieve 100 percent contact. Unit coordinators will use a scripted brief provided by NMCRS.

(8) Unit S-3s are encouraged to facilitate incorporation of NMCRS briefings into the training schedule by working through their unit coordinator with NMCRS staff. In order to achieve 100 percent contact with a minimal amount of time and disruption to the unit, maximum sized audiences are encouraged. The time required to conduct the briefings and complete donation and allotment forms is 30 minutes. Briefings in the field or in formations are authorized and encouraged. Unit leadership should be present at these briefings and are encouraged to speak to their personnel at the briefings in order to demonstrate their command support.

(9) NMCRS staff is limited. Briefings from the NMCRS staff will be scheduled on a first come, first served basis. Unit coordinators are strongly advised to arrange briefings with the NMCRS as soon as possible. Instructions and contacts will be provided at the training session on 11 and 20 February 2014.

(10) On a weekly basis, unit coordinators will report the status of their unit's contacts and submit any contribution forms and monies collected for that week to the MAGTF/TC, MCAGCC Lead Coordinator or to the Assistant Coordinator, Staff Sergeant Quintos. If cash is involved, two Marines will meet with the lead and assistant coordinator to count and verify the amount submitted.

(11) The MAGTF/TC, MCAGCC Lead Coordinator will submit a weekly report of each unit's contact percentage and amount donated to the Commanding General during the fund drive.

(12) The MAGTF/TC, MCAGCC Lead Coordinator will submit an after action report to the Commanding General within two weeks after completion of the fund drive detailing the level of command commitment from each unit as well as each unit's total participation rates.

(13) All funds collected for this drive will be given to the NMCRS.
