

*The U.S. Marine Corps  
invites you to participate in  
the 29Palms Training Land  
Acquisition/Airspace  
Establishment EIS Process  
and Draft Conformity  
Determinations*

The Department of the Navy, on behalf of the U.S. Marine Corps and in cooperation with the Bureau of Land Management and Federal Aviation Administration, has prepared a Draft Environmental Impact Statement (EIS) to evaluate the potential environmental impacts associated with the proposed expansion of the training range at the Marine Corps Air Ground Combat Center (Combat Center) at Twentynine Palms, Calif. The proposed action would accommodate training exercises for all elements of a Marine Expeditionary Brigade.

*The U.S. Marine Corps wants your input!*

**OPEN HOUSE PUBLIC MEETINGS**

<i>Joshua Tree:</i>	<i>Ontario:</i>	<i>Victorville:</i>
April 12, 2011	April 13, 2011	April 14, 2011

The Navy has also completed a Clean Air Act conformity evaluation, as prescribed by Mojave Desert Air Quality Management District (MDAQMD) Rule 2002 and the U.S. Environmental Protection Agency's General Conformity Rule. The conformity evaluation covers proposed emissions that would occur at the Combat Center and within the Mojave Desert Air Basin (MDAB). The conformity evaluation demonstrates that the federal action conforms to the applicable ozone (O<sub>3</sub>) and respirable particulates (PM<sub>10</sub>) State Implementation Plan for the MDAB. In accordance with section 2002(F) (2) of MDAQMD Rule 2002, the Draft O<sub>3</sub> and PM<sub>10</sub> Conformity Determinations are available for the next 30 days for review by interested parties at the address listed above. Written comments may be submitted during this period to this same address. **Comments on the Conformity Determinations must be received or postmarked by March 28, 2011.**
