SPECIAL USE AIRSPACE

MCAGCC 29 PALMS, CA

There will be increased military aviation activity within MCAGCC Special Use Airspace Complex from August 14-21, 2016.

The Marine Corps Air Ground Combat Center (MCAGCC) in Twentynine Palms utilizes Special Use Airspace to fulfill the Marine Corps requirement to provide sustained, combined-arms live-fire, and maneuver field training for Marine Air Ground Task Forces. This map represents MCAGCC's current Special Use Airspace.

For more information regarding the Special Use Airspace, visit the Combat Center website:
