## **MARINE CORPS TRAINING REMINDER: JOHNSON VALLEY SHARED USE AREA UPCOMING CLOSURE**

### **MARINE CORPS AIR GROUND COMBAT CENTER TWENTYNINE PALMS, Calif. –**

The Johnson Valley Shared Use Area will be temporarily closed to the public beginning Friday October 22, 2021 through Monday November 1, 2021 while the Marine Corps conducts critical military training in the area.

As previously announced, the Marine Corps shortened the closure period after refining the scope of training to be conducted in October and November 2021. When possible, the Marine Corps elects to shorten closure periods to allow for maximum public use and recreation in the Johnson Valley Shared Use Area. The Marine Corps would like to thank the community for their continued support.

The Johnson Valley Shared Use Area will also be closed for military training on the following dates in 2022:

- April 26 - May 9, 2022
- October 18 - November 1, 2022
