COMBAT CENTER ORDER 12000.9

From: Commanding General
To: Distribution List
Subj: PERSONNEL ACCOUNTABILITY VIA MARINE ONLINE

Ref: (a) MARADMIN 475/14
(b) DoD Instruction 3001.02

Encl: (1) Non-Marine MOL Join Process

1. Situation. Reference (a) establishes Marine Online (MOL) as the enterprise system to support personnel accountability in conjunction with natural or manmade disasters. The personnel accountability includes all military personnel and government civilian employees, both appropriated fund (APF) and non-appropriated fund (NAF) assigned or attached to a unit aboard the Marine Corps Air Ground Combat Center (MCAGCC). Civilian contractors are accounted for by their contracting agency. In order to use the MOL Personnel Accountability Module, military and government civilian personnel must be joined into the Marine Corps Total Force System (MCTFS) and be granted permission to access and utilize MOL.

2. Mission. Per the references, set forth guidance, procedures, and responsibilities for joining government civilians and military members from the other services, in order to execute personnel accountability via MOL on a daily basis or in response to any disaster or catastrophic event aboard MCAGCC.

3. Execution

   a. Commander’s Intent and Concept of Operations

      (1) Commander’s Intent. Personnel accountability is a command responsibility at all times, and commands must be able to efficiently account for Marines, other services personnel, government civilians, and family members, especially in a disaster situation. Each command must be prepared to report personnel statuses when directed by the Commanding General, Marine Air Ground Task Force Training Command (MAGTFTC), MCAGCC or by higher headquarters. The Naval Hospital Twentynine Palms, 23rd Dental Clinic, Army Veterinary Clinic, the Defense Commissary Agency, and other organizations external to the U.S. Marine Corps are exempt from the MCTFS and MOL enrollment and usage requirements.

      (2) Concept of Operations

         (a) In addition to active duty and reserve military members, all Department of Defense (DoD) civilian employees must be joined into MOL and may voluntarily report family member information for accountability via MOL.

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.
Once joined, government civilians will be incorporated into the daily morning report, and can be accounted for in the event of a disaster by self or command reporting via the Personnel Accountability Module in MOL. Military and government civilian employees without access to MOL will be accounted via the "on behalf of" function in MOL. Bargaining unit employees may elect not to provide their Social Security Number and instead be joined with a modified Electronic Data Interchange Personal Identifier, in accordance with reference (a).

(b) To correctly join personnel via MOL for both Unit Management Status Report (UMSR) and MCTFS, the procedures contained in the enclosure must be followed. For personnel attached to Headquarters Battalion (HQBn), Sergeant’s Course, Legal Services Support Team, Exercise Support Division, and Tactical Training and Exercise Control Group (MCCs 015, JBJ, 025, UKU and UKT); the HQBn S-1 will perform this function. For civilian personnel already on board, the Installation Personnel Administrative Center will coordinate with the APF and NAF Human Resources Offices (HRO) to conduct a mass upload of personnel data into MCTFS. Thereafter, all personnel regardless of rank or service affiliation, both military and civilian permanently attached to these units, will check in and out with HQBn S-1 upon arrival and again upon departure.
