Personnel will be required to surrender the ID card when a military or civilian authority requires it for identification, investigation, when in confinement, upon discharge, or because of card expiration.

(2) Performance and Conduct. Per reference (k), enclosure (1), United States Marines are characterized by exceptionally high standards of performance and conduct which reflect unswerving loyalty to the nation, devout attention to duty, and gentlemanly/ladylike demeanor. All Marines are expected to maintain these standards in the performance of their duties and the conduct of their personal affairs. Marine Corps standards don't stop when the uniform comes off. Marines are required to uphold standards consistently, both in and out of uniform, around the clock.

(3) Punitive Action. This Order's applicability to military personnel is intended to be enforceable against individuals without further implementation by subordinate commands. Violations of the provisions of this Order by military personnel may result in administrative or punitive action and are punishable as a violation of Article 92 of the Uniform Code of the Military Justice. Servicemembers and retirees who fail to conform to the proper dress standards outlined in this Order and reference (1) risk losing their on-base privileges (i.e., access to the Marine Corps Exchange (MCX), commissary, gyms, etc.).

(4) Grooming Standards

(a) Grooming standards will be strictly adhered to in accordance with (IAW) reference (a) and (b), enclosure (1). The following is provided for emphasis. The requirement for hair regulations is to provide direction for maintaining a neat and professional military image.

(b) Male Standards. Male hairstyles require non-eccentric and non-faddish styles, maintaining a conservative, professional appearance. Hair will be neat and closely trimmed.

from zero length (skin) at the hairline to at least the top orifice of the ear circling around the back of the head, where it may then extend to the maximum hair length. Hair will not be over three inches in length fully extended (an extended hair, not the style, determines proper length) on the upper portion of the head.

3. The face will be clean-shaven, except for a mustache may worn. When worn, the mustache will be neatly trimmed and must be contained within the lines of B-B', C-C', D-D' and the margin area of the upper lip, as shown in figures 1-1 and 1-2 of reference (a), enclosure (1). The individual length of a mustache hair fully extended must not exceed 1/2 inch.

(d) General Guidance. Not all circumstances involving civilian attire can be covered within the guidelines below. Every individual should take pride in his/her appearance and observe common sense standards of cleanliness, decency, neatness, and safety. Prior to wearing an article of civilian attire, personnel should ask themselves, "Is the item authorized? Is it clean? Is it serviceable? Is it within good taste? Does it project a favorable image?" Appropriate civilian attire for wear in public buildings/facilities at the Combat Center will be as follows:

3. Belt Loops. When wearing trousers or shorts with civilian attire, a belt must be worn unless there are no belt loops.

4. Undergarments. Will not be visible, except as when the undershirt is exposed in a manner like the service "C" uniform. Adequate undergarments will be worn to ensure proper fit, appearance, and eliminate transparency of clothing worn.

5. Other Civilian Attire. Includes undershirts and should be worn as appropriate to the occasion (i.e., bathing suit/bikini appropriate to the beach/pool, but not to the Marine Corps Exchange). Trousers and skirts will be worn at the waist. The Marine Corps Running Suit satisfies this requirement for individual PT sessions. For unit PT sessions, refer to Chapter 3 of reference (d), enclosure (1).

Listening devices may be utilized while on a running/walking track, sidewalk, PT field, or designated pathway. Pedestrians are responsible to ensure that they always face traffic and maintain a minimum of three feet from the traveled portion of streets, roadways, vehicle/tank trails, or parking lots or are otherwise protected from traffic (e.g., curbed sidewalk, pedestrian bridge, etc.).

15. Standards for beneficiaries, retirees, civilian contractors, and other dependents utilizing the Combat Center Gymnasiums. Authorized patrons using the facilities and equipment at the Combat Center gymnasiums will wear athletic clothing and athletic shoes.
