(1) Commander's Intent. To comply with the requirements as listed in the reference.

(2) Concept of Operations

(a) The Commandant of the Marine Corps requires annual submission of a command chronology, which is a documented report of significant events that occurred within a unit during the fiscal year. As this permanent report is often the only lasting official record of the command's activities, it must be comprehensive, informative, and understandable. The format contained in enclosure (1) will be used for all command chronology submissions.

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.

NOV 03 2020

Recognizably, some sections of enclosure (1) may not be applicable to a particular unit; in that case the section should be included in the report, but annotated as not applicable. Reference material should be attached as supporting documents in Part IV.

(b) The Oral History Program solicits taped interviews or recorded presentations for permanent retention at Headquarters Marine Corps (HQMC). These serve as source material for historical study. Individual unit historical officers will set-up and interview personnel who played key roles within their section during their tour at MCA GCC. The Combat Center Historian will provide guidance for the interview.

(c) The Commemorative Naming Program is the responsibility of the Historical Branch, History and Museums Division, HQMC. Generally, names already in use will not be changed and living persons' names will be approved only in the most exceptional cases. The Combat Center Historian will be consulted if any commemorative names are desired for use.

b. Subordinate Element Missions

(1) Commanding Officers, Assistant Chiefs of Staff, Division Directors, Special Staff Officers, and Officers-in-Charge. Enclosure (2) lists the directorates, special staff sections, and subordinate commands that will submit an annual command chronology for the period 1 October to 30 September. An original and one copy is due to the Combat Center Historian on the first working day following 20 October each year.

(2) Assistant Chief of Staff Marine Air Ground Task Force (MAGTF) Training Directorate, Combat Center Historian. Per the reference, the Command Chronology (Report Control Symbol MC-5750-06), is to be reported by FY. Consolidate all chronology submissions and submit the command's annual chronology to reach the Commandant of the Marine Corps (Code HDH-4) via Commanding General, Training and Education Command by 31 December of each year.
