

Greetings ladies and gentlemen,

Below is the Combat Center Speed call for April 8, 2022. Of note, if departments do not provide updates to the Communication Strategy and Operations Office or confirm that their information is correct by 1300 on Friday, the following message will be displayed in their respective section: "There are no announcements for this section of the Speed call at this time." This is in an effort to mitigate misinformation.

GENERAL ANNOUNCEMENTS

MCAGCC Family,

On 4 April 2022, the Department of Defense released updated Consolidated DoD Coronavirus Disease 2019 Force Health Protection Guidance. This contained updated HPCON criteria and guidance, which aligns our HPCON status to the Center for Disease Control community transmission levels. Based on that guidance MCAGCC and the Mountain Warfare Training Center have transitioned to HPCON A.

The most significant change is inside gatherings are limited to posted occupancy, and there are no limitations on outside gatherings. Masks are still required at all military healthcare facilities, and mask wearing is always an option for personnel that prefer to wear one to include our service members in uniform. We need to remain diligent and continue to take those actions that have helped minimize the impacts of COVID such as good sanitation, frequent hand washing and covering your mouth when you cough.

Additional information, including where to get a vaccine and guidance regarding installation services may be found at our Combat Center COVID-19 media site at <https://www.29palms.marines.mil/COVID-19/>. The Combat Center will continue to provide COVID-19 information updates and make every effort to keep our Marines, Sailors, Soldiers, civilian employees, contractors, and family members informed of current risks. Thank you for your continued support.

D. A. SUGGS
Chief of Staff

I need the police! Who do I call?

The 911 emergency and non-emergency police response phone numbers differ based upon where you live. In a crisis, the last thing you need is confusion over whom you're supposed to call to get the immediate help you need.

I live in on-base Liberty Military Housing:

Emergency: 911 Non-emergency: 760-830-3333

- * Adobe Flat
- * Copper Canyon

- * Desert View Terrace
- * Joshua Heights
- * Marine Palms
- * Ocotillo Heights
- * Shadow Mountain
- * Sunflower Terrace

I live in off-base Liberty Military Housing; Vista Del Sol District

Emergency: 911 Non-emergency: 760-366-4175

- * Aztec
- * Two Mile
- * Joe Davis

For additional information please read the attached "VDS Bulletin".

I live in an off-base residence, unaffiliated with Liberty Military Housing

Emergency: 911 Non-emergency: 760-366-4175

Cities of Twentynine Palms, Joshua Tree, Yucca Valley, and beyond.

For those who live off-base in either Liberty Military Housing or another private off-base residence, the law enforcement response will dispatch from San Bernardino County Sheriff's Department (SBCSD). If residing in Vista Del Sol (Aztec, Two Mile and Joe Davis housing communities) please clearly identify to the dispatcher that your location is "off-base" housing to avoid transfer to the Provost Marshal's Office - which could delay response.

In addition to the Speedcall notice, the attached flyer will be posted in LMH Bulletin Boards, and provided to Deployment Readiness Coordinators (DRC) and Unit Readiness Coordinators (URC). DRCs and URCs will disseminate this information to all-hands and maximize distribution to family members.

For additional questions or concerns regarding the bulletin, please contact MCAGCC PMO Desk Sergeant 24 hours a day at 760-830-6800.
