

BE SERIOUS ABOUT SAFETY, NOW

- Stay alert and aware of your surroundings.
- Lock your door, even when you are home.
- Drop shades and pull curtains at night so people cannot see in.
- Never leave a drink unattended, know what you're drinking, and never accept drinks from people you don't know or trust.
- Avoid alleys, shortcuts, and deserted areas.
- Walk with a friend whenever possible.
- Keep porch lights on or use motion lights to illuminate your residence.
