

MARINE CORPS AIR GROUND COMBAT CENTER CRIME PREVENTION

Crime Prevention is an active program that combines public awareness & preventive measures to reduce crime.

Focus for the month of June is **Summer Awareness**. The joy about June is

School's Out for Summer

which means more things to do and fun to have but...

Consider these crime preventative measures during summer:

Kids and Teens

- Teen Drivers, have a license, registration, and insurance.
- Watch when crossing streets or nearby moving vehicles.
- Wear a helmet when riding a bicycle, skateboard, or scooter.
- Use caution with strangers.
- Be mindful of curfew.

Parents and Guardians

- Prepare your teen drivers for the road.
- Be an active role in your kids' activities.
- Teach your children to beware of stranger danger.
- Teach your children about the consequences of crime.
- Instruct kids to abide by all laws.

Crime to Watch For

- *Vandalism...* is more likely in the Summer due to kids' boredom, so ensure you are helping to prevent such acts.
- *Underage Drinking...* happens sometimes and that is why it is important to provide good education or prevent access.
- *Assaults...* occur with adults or kids, so please be aware of your kids and whom they are associating with.

These are only a few things to mention. The Provost Marshal's Office will continue education for summer safety and the many other things throughout the year. Enjoy the summer months and stay safe!
