

MARINE CORPS AIR GROUND COMBAT CENTER MONTHLY CRIME PREVENTION

Crime Prevention is an active program that combines public awareness & preventive measures to reduce crime.

JULY

The focus for this month continues **Summertime Crime!** Heat is awful as the sun shines ever bright during summer months. Help prevent heat injuries by remembering to **ACT**:

Avoid leaving children or animals in the hot car alone, even but for a minute as the car heats up quicker than you know.

Create reminders by placing needed items in the backseat next to your child or pet.

Take action if you see children or animals left alone in a hot car by calling 9-1-1 (off-base) and 760-830-3333 (on-base).

ACTing can be used for other great safety tips in the summer such as:

Apply sunscreen to help **A**void skin cancer.

Place water throughout your home to **C**reate a reminder to stay hydrated.

Use a fan to **T**ake action for cool air circulation.

Wear hats and sunglasses to **A**void constant sun contact.

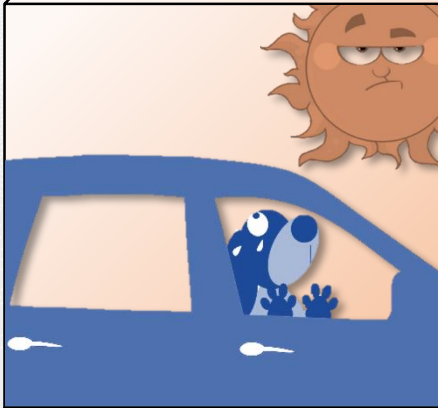

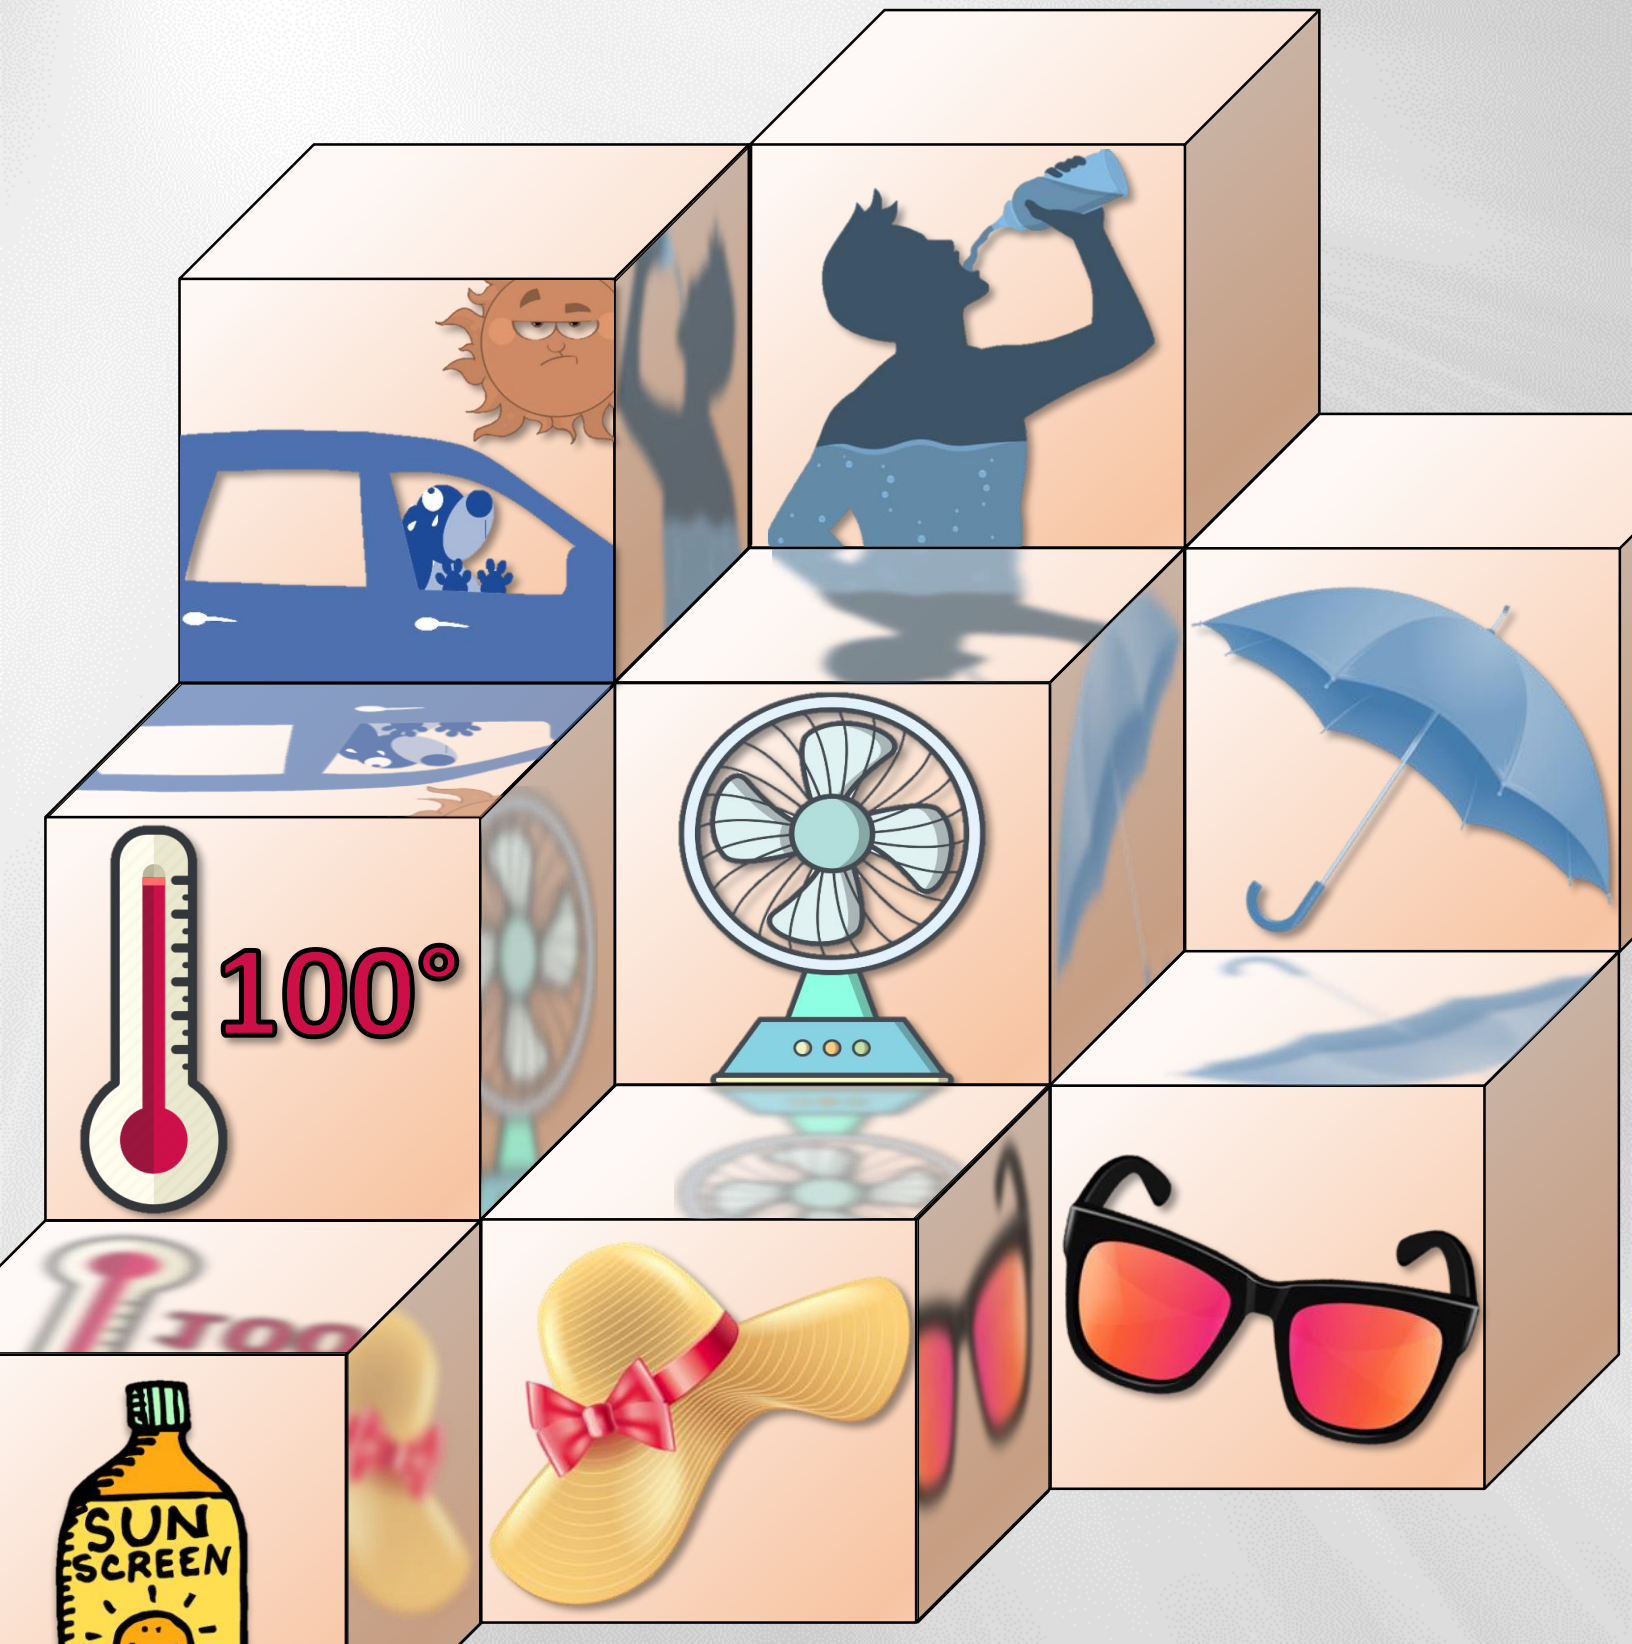

Carry an umbrella to **C**reate shade for yourself, children, and pets.

Take action on the seriousness of heat injury prevention.

Simply **ACT**ing allows you to prevent heat injuries but also ways to avoid crime leading to greater issues. The Provost Marshal urges you to follow all preventive measures and always remember to **ACT!** Stay Safe! Stay Shaded!
