

MARINE CORPS AIR GROUND COMBAT CENTER CRIME PREVENTION SNAPSHOT

Crime Prevention is an active program that combines public awareness & prevention measures to reduce crime

February sets focus on **Valentine's Day Safety**. As we all know, the special day in which we get to share gifts, roses, and chocolate is Valentine's Day. Other than cherishing one another on this day, there are multiple crimes to be watchful of and here are tips associated with some of them:

DUI

Choose to drink, have a plan. Don't get behind the wheel after consuming any amount of alcohol! Do NOT drink & drive!

Domestic Altercation/Assault

Do not allow yourself to be overtaken by "lack of control," which results in physical harm of your loved one.

Prevent behaviors that lead to circumstances involving assault or verbal altercations!

Theft/Fraud

Do not find yourself inappropriately obtaining property due to lack of funds. If you purchase items online or in-person, ensure it is a safe website & safeguard your money, credit cards & personal information.

Kidnapping

As highly unlikely as it seems, kidnapping can occur when least expecting it. Be watchful of where you are, who you are talking to & do not be deceived by anyone whose false intentions may result in negative actions.

Overall, stay safe with your loved one, get them flowers, chocolate, stuffed animals, or any other love sentiment & love the best you can!

Enjoy Valentine's Day & avoid crime during February!

Happy Valentine's Day
