

# MARINE CORPS AIR GROUND COMBAT CENTER CRIME PREVENTION SNAPSHOT

Crime Prevention is an active program that combines public awareness & prevention measures to reduce crime

**April** sets focus on **Sexual Assault Awareness Month (SAAM)**. Since 2020, PMO has joined National Sexual Violence Resource Center (NSVRC) for #SAAM. This year calls individuals, communities, units & organizations to build racial equity & respect. *Drawing Connections: Prevention Demands Equity* is this year's campaign and targets the following key messages:

**The mission of SAAM is to increase public understanding of sexual assault & educate the communities on how to prevent it.**

**Systems of oppression such as racism, classism, heterosexism, ageism & ableism contribute to higher sexual harassment, assault & abuse rates.**

**As we work towards a future without sexual violence, we all must respond to the needs of those impacted by systematic oppression.**

**Drawing connections between various forms of oppression & the underlying causes of sexual assault.**

**Tag related posts throughout April with #SAAM or #SAAM2023 / #DrawingConnections / #RacialEquityMatters / #PreventionDemandsEquity / #30DaysOfSAAM**

Drawing connections between ourselves, history & the world around us is necessary for changing the future as we build knowledge & skills to end sexual violence. Other material & ways to be involved are at [www.nsvrc.org/saam](http://www.nsvrc.org/saam).
