

MARINE CORPS AIR GROUND COMBAT CENTER CRIME PREVENTION SNAPSHOT

Crime Prevention is an active program that combines public awareness & prevention measures to reduce crime

June sets focus on **Drug Prevention**. School is ending & work may slow down, which is unfortunately a time when temptation is at a high. Both adults & children are tempted to “try” new things, which may include illegal drugs. Here are some tips for saying “NO” to drugs:

Parents, help protect children by giving facts & teaching risks. You’re the role model to teach reasons for saying “NO.”

Children must learn the effects drugs can do to the body & mind. Just say NO to drugs!

Adults, help discuss the effects of drug use & never consume unmarked substances that aren’t prescribed.

Bystanders, help friends & family by encouraging removal from situations that may involve drug use.

Drug prevention is a top priority. Don’t be afraid to ask for help. The Provost Marshal encourages reporting of drug usage & found unknown substances.

Do the right thing! Keep Summer Drug Free!
