

# MARINE CORPS AIR GROUND COMBAT CENTER CRIME PREVENTION SNAPSHOT

Crime Prevention is an active program that combines public awareness & prevention measures to reduce crime

*September* sets focus on **National Preparedness Month**. Preparedness against disasters & emergencies can be intertwined with crime prevention measures. Use the following mission areas as a model of crime prevention:

**PREVENTION** Preventing, avoiding, or stopping crimes against your home poses as the starting line of crime prevention.

**PROTECTION** Protecting yourself, family, property & home against greater crimes allows you to thrive within crime prevention.

**MITIGATION** Mitigating the loss of property or even life by lessening the impact is a key component in crime prevention.

**RESPONSE** Responding quickly to protect your property & home meets the basic needs within crime prevention.

**RECOVERY** Recovering through strengthening, restoring & revitalizing your crime prevention measures should be a top practice.

*This model serves as a means in creating preventative measures to protect your family & home if a disaster should occur, which may lead to criminal acts against your home. Have disaster/emergency preparedness & crime preventions measures ready!*

For crime prevention information contact the Physical Security/Crime Prevention Office at (760) 830-4561.
