*Crime Prevention is an active approach that combines public awareness & prevention measures to reduce crime*

July 2024 brings focus on **Summertime Safety**.

Summertime has begun & many will start vacation, while others may start summercrime. It is important to avoid crimes in the summer, which can be accomplished by the following locking practices:

**Lock your doors & windows  
at your home or barracks!**

**Lock your vehicle,  
recreational vehicles  
& bicycles!**

**Lock your personal property  
& keep valuables secured.**

These are simple locking tips that are crucial to overall security & should be practiced when going on vacation or staying home. Remember, summertime is a chance to enjoy yourself & not be entangled with summercrime!
