

Marine Corps Air Ground Combat Center Crime Prevention Newsletter

Crime Prevention is an active approach that combines public awareness & prevention measures to reduce crime

August 2024 brings focus on **Back-to-School Safety**.

It is that time of the year again for kids to return to school. Whether attending public, private, charter, or home school, kids, to include teenagers, must be taught safety & security. As parents & guardians of them, here are some tips:

Know the walking path to school & teach kids to always use the same route.

Be mindful of surroundings & suspicious vehicles or persons.

Follow all roadway traffic regulations.

Bicycle riders must wear helmets & come to a complete stop at crosswalks.

Know bus stop locations & use caution when loading/unloading the bus.

There are many other things to know & teach kids for school safety; therefore, ensure you are researching the best safety & security practices. Keep kids safe, follow guidelines, help them maintain good grades & enjoy the school year!
