*Crime Prevention is an active approach that combines public awareness & prevention measures to reduce crime*

October 2024 brings focus on **Crime Prevention Month**.

In 1984, the National Crime Prevention Council (NCPC) recognized October as *Crime Prevention Month* to work alongside local & federal law enforcement agencies, support groups & schools to promote crime prevention & awareness. The Provost Marshal's Office (PMO) supports NCPC with these weekly initiatives:

**1st Week: Empowering Communities**

**2nd Week: Crime Prevention at Home**

**3rd Week: No Place for Hate**

**4th Week: Intellectual Property Theft**

Keep watch for weekly crime prevention tips on the topics & ensure they are applied to all plans at home, work & in your communities! Crime prevention is your responsibility! Do your part, promote crime prevention/awareness & always help take a bite out of crime!
