Crime Prevention is an active approach that combines public awareness & prevention measures to reduce crime

December 2024 brings focus on **Holiday Safety**.

The end of the year is arriving & includes various holidays. This means higher crime rates are possible. In celebration of Christmas, Hanukkah, or Kwanzaa & to include the New Year, everyone must be aware of potential crimes. Follow these tips to ensure you have safe holidays:

Use caution with online ordering & avoid scam websites

Always lock your doors when not at home & close your garage

Close blinds to avoid drawing attention to gifts or valuables

Use care with social media & avoid publicizing when away

Do not drink & drive, but rather, have a designated driver

Do not leave candles lit when they are unattended

Leave outdoor lights on to mitigate break-ins

Practice crime prevention during this holiday season & don't let bad planning ruin a good memory! Together, we all can help prevent crime!

Happy Holidays from the Provost Marshal's Office!
