June
'26

Crime Prevention is an active approach that combines public awareness & prevention measures to reduce crime

The bulletin board has the goal of promoting the best crime prevention tips to avoid problems.

Here are the tips for this month:

Release from school for the summer has arrived & more crime is possible due to meandering children. Ensure to lock all doors at night & secure the vehicle(s). Teach children not to vandalize any property. Be aware of any persons that may lurk in the dark corners or areas at stores, parking lots, etc. Secure belongings in pockets or purses that are maintained tightly against the body.

Keep summer fun & rid of crime!
