

Third Party Citations

SLOW DOWN! The Provost Marshal's Office (PMO) receives numerous reports from residents of vehicles speeding and ignoring traffic signs, jeopardizing safety of children at play. PMO is actively patrolling these areas, but we could use your help in enforcing safe driving behavior.

IF YOU SEE IT, CITE IT! Help keep our community safe through the Third-Party Citation Process.

Per CCO 1630.8, third-party citations can be written for violations, such as:

- * Speeding
- * Reckless Driving
- * Failure to Wear Protective Clothing/Equipment While on a Motorcycle
- * Failure to Wear a Seatbelt
- * Use of a Cellphone While Operating a Motor Vehicle

All reports should provide as much information as possible, such as:

- * License Plate Number and State
- * Description of the Vehicle
- * Description of the Driver
- * Time and Location of the Violation

To report a violation, go to PMO Services, Traffic Court Clerk, located in Building 1408 or call (760) 830-5461. Hours of operation are Monday to Thursday 0800-1600. You can also send an email to: trafficcourt@usmc.mil.

You, the Reporter, must identify yourself and be willing to testify against the violator before the Traffic Court Magistrate; otherwise, the citation will be dismissed.

This applies to anyone on-post and Service Members on-post and off-post. The goal is to reduce dangerous driving behavior. For emergencies or non-traffic crimes, notify Law Enforcement immediately at (760) 830-3333.
