ANNOUNCEMENT REGARDING LAND USE IN THE JOHNSON VALLEY AREA

MARINE CORPS AIR GROUND COMBAT CENTER TWENTYNINE PALMS, Calif. –

The Marine Corps and the Bureau of Land Management (BLM) will host a public meeting on April 06, 2019 in the Yucca Room at the Yucca Valley Community Center from 10:00am until 11:00am. Representatives will be available to answer questions and discuss land use with the public. The Yucca Valley Community Center is located at 57090 Twentynine Palms Highway, Yucca Valley, California. All members of the public are invited to attend.

As previously announced, the Johnson Valley Shared Use Area will remain open to the public August 1-30, 2019, and will not be used for military training during the time period. The closure of the Shared Use Area for military use was determined to be unnecessary after the Marine Corps revised the scope of training to be conducted in August 2019. Training conducted in August 2019 will utilize ranges on the installation, including the land acquired through the land expansion. All training will occur within Combat Center boundaries.
