SOUND ADVISORY #23-005

Oct 24, 2023

FOR IMMEDIATE RELEASE

MARINE CORPS AIR GROUND COMBAT CENTER TWENTYNINE PALMS, Calif.- There will be an increase of military training noise in the Morongo Basin due to Marines participating in a series of training events known as Weapons and Tactics Instructor (WTI) at the Combat Center Oct. 24-25, 2023.

WTI is an advanced, graduate-level course for selected pilots and enlisted aircrew providing standardized advanced tactical training and assists in developing and employing aviation weapons and tactics.

Noise from training may be amplified when the cloud cover is low. Depending on atmospheric conditions, sounds from the training area may be amplified throughout the local area.

For sound reporting or more information about operations aboard MAGTFTC, MCAGCC email PLMS-MCAGCC-SOUND_REPORTING@usmc.mil or visit <https://www.29palms.marines.mil/Staff-Offices/Government-and-External-Affairs/Sound-Reporting/>.
