SOUND ADVISORY #19-001

July 31, 2019

FOR IMMEDIATE RELEASE

INCREASED TRAINING ABOARD THE COMBAT CENTER

MARINE CORPS AIR GROUND COMBAT CENTER TWENTYNINE PALMS, Calif. –

Due to training exercises scheduled at the Combat Center, residents neighboring the installation may experience higher volumes of aircraft and/or ground training sounds from August 1-30, 2019. Depending on atmospheric conditions, the sounds from the training may be amplified throughout the local area.

Training conducted in August 2019 will occur within Combat Center boundaries, utilizing ranges on the installation, including land acquired through the land expansion. The Marine Corps reminds the public to be safe and respect base boundaries when recreating near the installation.
