FOR IMMEDIATE RELEASE

INTEGRATED TRAINING EXERCISE 2-20

MARINE CORPS AIR GROUND COMBAT CENTER TWENTYNINE PALMS, Calif. – Integrated Training Exercise 2-20 will take place aboard the Combat Center from January 13 – March 7, 2020.

Integrated Training Exercise, Adversary Force Exercise, and Mountain Training Exercise are sub level events of Service Level Training Exercise (SLTE) and prepare U.S. and partner nation service members for the culminating event of SLTE called Marine Corps Air Ground Task Force Warfighting Exercise.

Marine Corps Air Ground Task Force Warfighting Exercise pushes the Marine Air Ground Task Force to be innovative and adaptive to our Nations' ever evolving adversaries by challenging service members to fight against a free-thinking adversary with similar capabilities in a force-on-force, free-play environment.

Depending on atmospheric conditions, sounds from the training area may be amplified throughout the local area. To provide feedback and sound reporting go to:
